LUTHERVILLE
MUSIC SCHOOL

June 1st, 2024

A Message from Drew:

Lutherville Music School Students,
Families, and Friends,

We have so many new and thrilling things going on at the school, we've decided to start sending a monthly newsletter to keep you all in the loop! You'll find information on upcoming events, changes at the school, a student spotlight, and more!

May was an exciting month for the school. If you haven't seen all the changes to our space, stop by and take a look!

Thanks to Jason Dennis of Creative Construction and Renovation and Matt Hamulack of Hamulack of Hamulack Electric, we now have a brand new stage which looks phenomenal! You can see it in action during the inaugural performances this month (more information to follow).

Thanks to Amy Neill, Cullen Neill, and our very own founding drum teacher, Chris Phillips, we have a fantastic new coat of paint sporting our school colors!

This month, we're kicking things off with our Spring Band Showcase, June 1st and 2nd at BC Brewery. Be sure to stop by to support our many talented musicians!

On June 7th from 6:00 - 9:00 the Lutherville Music School Student Council is throwing their 2nd Annual End of the Year Bash! This year, in addition to food and games, there will be a Battle of the Bands. Sign your band up by filling out this form: <https://forms.gle/vVm4d4ASufoAQjkk6> For more information, please see the events page!

Starting on June 10th, my guitar teacher, Tobias Hurwitz, is running a weekly workshop on how to use a metronome. Whether you want to fine tune your rhythmic precision or set the land speed record on your instrument, this is the class for you!

We have our first Lutherville Music School Recital on our new stage June 14th - 16th. If you haven't signed up for a recital yet, please fill out this form (<https://forms.gle/Wnw3KxB8Yj7P1jQS6>) so you can participate in this historic concert! Some recitals are filling up so be sure to sign up as soon as possible. All instrumentalists are welcome to perform!

Last, but certainly not least, we have our first week of summer camp, Young Rockers Camp! There are still spots available, but they're going quickly, so sign up your child today at luthervillemusicschool.com/camps

It's been an interesting year so far between floods and construction, but we so appreciate your patience, and I think (not to jinx anything!) we're finally on the other side of all of this! Exciting things are happening at Lutherville Music School and we're thrilled to share them with you in these new monthly newsletters. Check your inbox on the 1st of each month to see what's new around the school!

Thanks!
-Drew

Working with the metronome is essential for any practicing musician, regardless of level, style or instrument. Isn't it about time you got into it, or maybe learned a few advanced tricks? This class teaches rhythm from the ground up, with a special emphasis on developing speed, accuracy and steady tempo. Taught by Tobias Hurwitz - Inventor of the amazing (free) Steampunk Metronome app.

Come to the LRS Student Council's End of the Year Bash to kick off the summer! This is a fundraiser for the Student Council to continue to throw events and upgrade gear at the school. Come celebrate with us and enjoy music and food. There will be live bands performing in a "Battle of the Bands," a jam room for you to play music with your friends - but if that isn't your jam, we will be having lots of fun games to play like Jenga! We will also be having a tie dye area out back where you can make your very own Lutherville Music/Rock School tie dye shirt. Everyone is invited! Tickets are \$10 per person, but half the price for "Battle of the Bands" participants.

**July 8th - 12th

Looking for fun and exciting music camps for your children this summer? Try out our Young Rockers Camp, our All Star Rockers Camp, or maybe even sign up for both! Both are all day, week long camp for only \$450; or if you sign up two campers you pay only \$800! Current students get a \$50 discount!

Our camps run through the weeks of June 24th and July 8th with each focusing on different ages, skills, and practices for your child's musical development.

June 24th - 28th we have the Young Rockers Camp for children ages 6 - 10. This camp is for students who are interested in learning the basics of playing in a band and all the parts that come with that. Students have the option to specialize on one instrument, or hone their skills on several. Students will learn song writing skills and learn how to play a cover song, which they will perform at the end of the week.

July 8th - 12th we will be hosting our All-Star Rockers for ages 8 - 13. This camp is for students who have some of the basics but want to do a deep dive into playing in a band and writing music. In addition to all that, students will learn about the process of recording a song by working on one of their own.

Interested in Joining a Rock Band?

We wanted to send an invitation to any students who have been considering joining a band!

Our rock band program is an **exciting opportunity** for students to learn how to create the very music they enjoy listening to. We have been coaching bands for **over a decade** and have seen the tremendous impact it has on every student that has joined. Band mates also learn to work together as a team which often results in lifelong friendships.

Generally speaking, our bands consist of **Guitar, Bass, Keyboard, Drums, and Voice**, but we welcome most other instruments. Each student is placed in a band on their instrument, age, and skill level. Throughout the session, they will choose a band name, learn a list of chosen songs, and learn how to perform in front of an audience.

The session culminates in a band Showcase, where students get to play the songs they've learned on a big stage. **This summer session's showcase will be on Saturday, September 14, 2024 at Lutherville Music School, 1313 York Road, Lutherville MD 21093**

Our professional staff is dedicated to making your Rock School experience something that will last a lifetime. We also have **ADULT BANDS** - don't let the kids have all the fun! You can also start a **family band too**, all are welcome!

If you are interested in joining a band, simply fill out the Google Form below! Please fill out this form before June 24th. **(If you're in a band currently, DO NOT fill out the form below. Please talk to your band coach.)**
